

Directions to Our Office

From Road Town

Starting at the Road Town Ferry terminal, follow Sir Francis Drake Highway left for approximately 20 min until you see a sign at the entrance for Nanny Cay (stainless steel sign) on the left. Turn left, follow the road over speed bumps and at the first road, turn left. Follow until you reach a round about at the entrance to the Hotel. Turn right around the round about and go to the very end of the parking lot. Our building is on the right along the bulkhead of "B" Dock.

From West End (Soper's Hole)

Starting at the West End Ferry terminal, follow Sir Francis Drake Highway right for approximately 15 min until you see a sign at the entrance for Nanny Cay (stainless steel sign) on the right. Turn right, follow the road over speed bumps and at the first road, turn left. Follow until you reach a round about at the entrance to the Hotel. Turn right around the round about and go to the very end of the parking lot. Our building is on the right along the bulkhead of "B" Dock.

From Beef Island Airport

Starting at the Beef Island Airport (EIS) terminal, follow Route#2 right for approximately 20 min (turns into Waterfront Drive at East End). You will then be heading to Road Town (at the HLSCC College, the road turns into Blackburn Highway). Keep following the Waterfront Drive (same road as Blackburn Highway) through Road Town, going straight through the first round about and the next two sets of lights, take the second left at the second round about, then straight through the last set of lights. Keep heading west out of Road Town (at Prospect Reef, the road turns into Sir Francis Drake Highway) for approximately 15 minutes until you see a sign at the entrance for Nanny Cay (stainless steel sign) on the left. Turn left, follow the road over speed bumps and at the first road, turn left. Follow until you reach a round about at the entrance to the Hotel. Turn right around the round about and go to the very end of the parking lot. Our building is on the right along the bulkhead of "B" Dock.
